

# PORTRAITS EN AVEUGLE

57 medias

---

Le Théâtre LE VENT DES SIGNES, à Toulouse a accueilli du 9 au 13 juin 2015, Claude Jeanmart.

Sa Directrice, Anne Lefèvre, avait conçu une Art Performance intitulée PORTRAITS EN AVEUGLE

au cours de laquelle l'artiste réalisait en public, par le toucher, les yeux bandés, les portraits de personnes volontaires.

La suite du travail était semblable à ce qui avait été réalisé pour les Géantes:

numérisation des dessins,

vidéo projection et agrandissement sur polyester, dessins aux feutres acryliques,

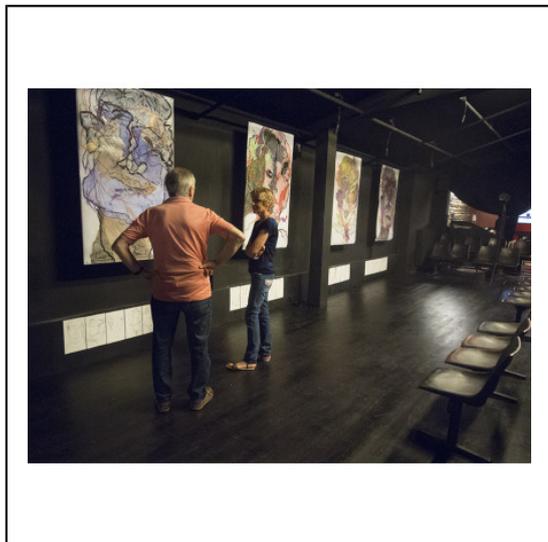

peinture recto verso

aux encres... Cette performance aura une suite: d'autres portraits seront réalisés en atelier.
